Dear Valued Customer of Econodial,

### **ECONODIAL AND MASTER CALL COMMUNICATIONS JOIN TOGETHER**

We are extremely pleased to inform you that Econodial, LLC and Master Call Communications, Inc. have agreed to join together in order to provide you with the highest quality and most cost effective long distance telephone services available from any carrier today.

Just like Econodial, Master Call Communications provides long distance and international services. Moreover, Master Call Communications also provides local and high-speed Broadband services for faster connection to the Internet. You will now enjoy the combined strengths of two of America's premier telecommunications carriers combining to make you - our customer - our number one priority. You will also continue to maintain your relationship with Econodial's Customer Services representatives.

To bring these strengths together we will be going forward with all services being provided and billed under the name of Master Call Communications. In order to achieve this, under Federal Communications Commission Rules we are required notify you that your long distance services with Econodial will be transferred onto the united networks under the Master Call Communications name. This transition should take place on or after October 1, 2004 dependent upon receiving the necessary federal and state regulatory approvals.

We are committed to continuing to provide you with the highest quality of services and to work closely with you or with your organization to provide additional products and services. Your current services will continue to be provided under the same rates, terms and conditions that you currently enjoy with Econodial, and your local telephone company **will not bill you** for any carrier change fees.

Further, under Federal Communications Commission Rules we are required to tell you that if for any reason you have placed a "freeze" on your current services to prevent any unauthorized transfer to another carrier, this freeze will be lifted and your services will be transferred to Master Call Communications. At your request we will re-establish freeze protection for your services after this transfer. **HOWEVER, the nature of this transfer and the relationship between Econodial and Master Call Communications will not require any action on your part or the lifting of any existing local freezes.**

In addition, as required by Federal Communications Commission Rules we are also notifying you that you do have the right to switch to another preferred carrier of your choosing, at your own expense.

Master Call Communications will work to resolve any issues or complaints that you may have filed against Econodial that have not been resolved by the time your account is transferred.

Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law; however we emphasize that no such changes are anticipated.

**If you have any questions or concerns about the transfer of services or information on our new products please call Econodial toll-free at 888-653-2800 or Master Call Communications at 800-816-7907. Econodial has been proud to be your preferred carrier and we expect our new exciting relationship with Master Call Communications will be equally worthwhile for you.**
